

PRESS RELEASE

Milan, 6th October 2006 – Eurofly's confirms that the guide lines of the Industrial Plan 2007-09 are under study and that they will be discussed during a Board of Director to be held within the end of October 2006.

At present, it is premature to give indications on the Industrial Plan. The focus on Long Haul activities, the increase in scheduled flights and actions of cost cutting are among the hypothesis under consideration.
